Parryware

Parryware, India's leading brand for bathroom products, started its journey more than 60 years ago and has been since defining the styles of changing Indian bathrooms. From a humble start to the present manufacturing prowess across seven manufacturing units, Parryware has strategically focused on production across the country and is distributed through a vast network of retail partners, making the products available in every nook & corner of the country.

The brand boasts of a wide range of products which includes vitreous china Sanitaryware, faucets & fittings, bathtubs, whirlpools, bathroom furniture, electronic flushing systems, plastic cisterns, seat & covers and kitchen sinks. These products are manufactured in our own factories, while some exclusive ranges are imported from other group premises or purchased from reputed suppliers. All of the products go through a stringent quality check protocol thus meeting the highest standards. An acknowledgement for this is Parryware consistently being awarded the coveted titles of 'Trusted Brand' (received in the years of 2012, 2013, 2014 & 2015), 'Superbrand' (in 2007 & 2015) & 'Powerbrand' (in the year 2010-11) and endorsements from the leading International quality certification authorities.

True to its legacy, Parryware continues to progress from strength to strength and steer ahead as a provider of complete and contemporary bathroom solutions for India.

Brand Values

Trust

Parryware has built a strong bond of trust with its customers over its 60 plus years of existence. This trust has been hard earned through superior quality of its products, competitive pricing, an ultra-wide range and unmatched service delivery. True to its worth, being trustworthy is one of the building blocks of the Parryware brand.

Practical

Offering easy to implement bathroom solutions, Parryware's range of products fit any imagination, space and pocket. This focus on utility and need based product concepts, makes Parryware a practical brand and guides its approach towards building a robust product portfolio.

Value

Since inception, Parryware has been offering value driven product offerings to its consumers. While being affordable, these products also feature sterling quality, creating one of the premier quality-price ratio and lakhs of satisfied consumers.

Contemporary

Ever eager in understanding the dynamic needs of the consumers, Parryware constantly reinvents itself, changing and evolving every day. Parryware's latest range of designer bathroom fittings is a witness to this evolution while keeping true to the brand's core values.

Youthful

Challenging the status quo is how Parryware constantly offers trendsetting products. The spirit of the organization is forever young, driving it to keep experimenting and innovating, which results in products which are designed in step with the times.

Sanware Features

Forever New

It is as shiny as porcelain and highly anti-humid. Colour remains the same even after long-term use.

Soft close system

The W.C. lid with soft-close system avoids shocks and breakages.

Compact basin

Wash basins with reduced measures for reduced spaces or small bathrooms.

Dual flush 6-3 L cisterns

Watersaving double button to choose between a 6 or 3 litres flushing volume of water.

Dual flush 4.5-3 L cisterns

Watersaving double button to choose between a 4.5 or 3 litres flushing volume of water.

Dual flush 4-2 L cisterns

Watersaving double button to choose between a 4 or 2 litres flushing volume of water.

Sewage emission & cleaning

Cleaning more thorough without blockage.

Compact toilets and Special-height toilets

WC with reduced measure for reduced spaces or small bathrooms and to help people with reduced mobility.

Clean Rim

Clean rim technology for better flush and superior hygiene.

Slim Seat Cover

Ultra slim seat cover for better aesthetic.

Electronic Toilets-Features

Cleaning function

The temperature and pressure/intensity of the water can be adjusted by each user.

Drying function

An adjustable temperature air flow dries the wet zones after the cleaning.

Seat and Cover

Soft and silent descent and closure of the toilet cover and adjustable-temperature seat.

Maximum Hygiene

The nozzle is extended automatically the nozzle cleans itself with water.

Remote control

Totally intuitive remote control for greater comfort and well-being.

Antibacterian

Seat and cover treated with antibacterian substance, that prevents bacteria build up.

Oscilating cleaning

A specific function that enlarges the cleaning zone thanks to the back-and-forth movement of the nozzle.

Energy saving

This function sets the standby mode when the Wellness Toilet is not in use in order to save energy.

Pulsating Cleaning

A specific function for cleaning by means of intermittent jets of water.
